Suggestions for
Storage-Safe Compounds...

REOGEN

Assures Rapid Mixing, Cool and Easy Processing, Firmness of Stock for the Right Response in Future Molding or Extrusion Operations.

LEDATE

Scorch-free in Process and Storage, a Strong Accelerator at Curing Temperatures.

Use This Combination in Camelback and Cold Feed Stocks... Where These Features Count

R. T. VANDERBILT CO. INC.
230 Park Avenue, New York 17, N. Y.
